Dear Ms. Calderon:

Marathon Engineering & Environmental Services, Inc., (Marathon) is conducting a Phase I Environmental Site Assessment for the above referenced property. We request information your office may have regarding illegal waste discharges, underground and/or above ground storage tank information, environmental contamination and violations of environmental laws and/or permits at this location. In addition, we would like information your office may have regarding the following:

- Prior uses of the property;
- Conditions or events related to the environmental condition of the property;
- Any prior assessments of the property; and,
- Any proceedings involving the property.

Marathon would like to draw your attention to the fact that the EPA *My Property*, *FRS Query Page*, and the *Envirofacts* sites are all non-functioning, and therefore Marathon cannot perform a query and include the search results with this FOIA request.

Thank you for your time and cooperation. If you have any questions or comments, please contact me at (856) 241-9705 or via email at [megan.cardenas@marathonconsultants.com](mailto:megan.cardenas@marathonconsultants.com).

Sincerely,

**Marathon Engineering & Environmental Services, Inc.**

Megan Cardenas  
Project Geologist
